HSK Level 3

What is the HSK?

Hàn yǔ Shuǐ píng Kǎo shì

汉语水平考试

The HSK, Hànyǔ Shuǐpíng Kǎoshì or Chinese Proficiency Test, is China's only standardized test of Standard Chinese language proficiency for non-native speakers such as foreign students and overseas Chinese.

The HSK test is administered in Simplified Chinese, and aims to be a certificate of language proficiency for higher educational and professional purposes. Each year, HSK certificates are issued to those who meet the required scores. In addition, test takers with outstanding results can win a scholarship for short-term language study in China.

The HSK test is administered by Hanban, a non-government organization affiliated with the Ministry of Education of the People's Republic of China.

HSK Levels

The Hànyǔ Shuǐpíng Kǎoshì is divided into 6 levels of difficulty, with each level building on the vocabulary and knowlege from the previous one.
